

**Texas Clean Rivers Program for the Rio Grande Basin
BASIN ADVISORY COMMITTEE MEETING
FOR THE LOWER RIO GRANDE,
held in conjunction with the Rio Grande Citizens' Forum
July 15, 2009**

Agenda and pre or post-meeting questionnaire

Agenda Items

- Brief overview of the Clean Rivers Program (CRP), including goals, funding, water quality monitoring activities
- Status of Water Quality in the Lower Rio Grande of Texas
- Recent CRP accomplishments, outreach activities and recipients of funding opportunities
- Brownsville bacteria study planned with UTB
- 2009 Basin Highlights Report for distribution

Pre- or post-meeting questionnaire

In preparation of the agenda for next year's Basin Advisory Committee for the Lower Rio Grande, please answer the following questions (please use back side for additional space):

1. What information would you like covered that we did not discuss at this meeting?

2. Have you visited our website (www.ibwc.gov/CRP/index.htm)? _____ If so, is there anything you would like to see on the website that is not there?

3. Is there anything you feel the Clean Rivers Program for the Rio Grande Basin should be addressing/doing that we are not?

4. Do you have any additional water quality or watershed concerns? _____

5. Please provide any additional feedback, comments, suggestions, or questions.

If you would like to be added to the CRP mailing list, please provide your contact information:

Name _____ email _____

Address, City, Zip _____
