Proposal to Allow Bird Hunting on Certain USIBWC Property in New Mexico

presented at

Citizen's Forum Meeting

Sheryl L. Franklin, P.E.
Chief, O&M Division

July 17, 2013

Proposal

- Response to public and agency request
- Allow bird hunting on rural segments of USIBWC land along the Rio Grande in New Mexico.
- A draft Environmental Assessment to be released this month.
  - Identifies areas under consideration
  - Conditions and impacts if hunting were allowed.
- Hunting would be subject to all federal, state, and local laws.
- USIBWC current and proposed regulations apply.
- Public comment period of 30 days after publication.

Proposal

Regulations:

- Only property owned by USIBWC.
- All State, Federal, Local hunting regulations apply.
- All USIBWC existing property and levee regulations apply.
- Additional USIBWC regulations proposed specifically for hunting
- Other agencies have law enforcement approval.
- Designated areas clearly defined plus signs to identify

Proposal

Locations for Proposed Hunting:

- Tumbleweed Road Bridge to Highway 393
- South Boundary of Leesburg Dam State Park to Shalem Colony Trail
- Mesilla Dam to Highway 226
