TITLE: U.S. Section of IBWC Releases list of Recovery Act Projects

LINK: www.ibwc.state.gov/recovery/index.html

TYPE OF MAJOR COMMUNICATION: PRESS RELEASE

SHORT OVERVIEW:

El Paso (March 9, 2009) – U.S. Commissioner Ruth of the International Boundary and Water Commission has released a list of projects to be undertaken by the USIBWC with funding appropriated under the American Recovery and Reinvestment Act of 2009, which includes \$220 million for USIBWC levee infrastructure upgrades. The Recovery Act funding will allow rehabilitation of approximately 170 miles of deficient levees along the Rio Grande Flood Control Project.

DATE AND TIME OF COMMUNICATION: 03 09 2009, 05:30 MST
