

Building Stronger and Healthier Communities

Vice Chair Supervisor Nora
Vargas

March 4th, 2021

Agenda:

- My Story
- Policy Priorities
- TJRV Sewage Crisis
- Q&A

Introduction- My story

Rooted in family values

- My commitment to community is rooted in my family values and my love for this community.
- I have dedicated my life to removing barriers for underserved communities through civic engagement, public policy, and community organizing.
- I was raised in the region and I understand the needs of our community.
- My passion to serve is driven by my desire to improve peoples lives in our communities.

Policy Priorities for Environmental Justice

- South County Environmental Justice Taskforce
- Tijuana River Valley Declaration of a Public Health Care Crisis
- Chair of the SANDAG Transportation Committee
- San Diego County Regional Sustainability Plan
- County's Climate Advisory Committee
- San Diego Air Resource Board Member

Tijuana River Valley Impacts

- Impacts on Environmental Justice Communities
- Public Health Care Crisis
- Access to open green spaces
- Need for a United Front in our Region

Community Rooted and Powered
