

2016  
**TIJUANA RIVER ACTION**  
**MONTH**

# Tijuana River Action Month

**TRAM** is a series of education and stewardship events held during September and October to benefit the Tijuana River Watershed.

# TRAM goals

## To

- mobilize a record number of community volunteers and groups to become stewards of the Tijuana River Watershed; and,

## To

- recognize key efforts and investments by public and private agencies, businesses, non-profits and community groups to protect and restore the Tijuana River.
