INTERNATIONAL BOUNDARY COMMISSION
UNITED STATES AND MEXICO

MINUTE No. 112.- May 18, 1929.

At eleven A.M., May eighteenth, nineteen hundred and twenty nine, the Commission met in the office of the Mexican Section, at Juárez, Mexico, at the call of the Commissioner of Mexico to consider action on report of Consulting Engineers relative to the erection of a monument on the international bridge across the Rio Grande between Zapata, Texas, and Ciudad Guerrero, Tamaulipas, made in accordance with instructions issued by the Commissioners. The Commissioners approved the report of the Consulting Engineers dated May fourteenth nineteen twenty-nine, having reference to the erection of a monument marking the international boundary line on the bridge across the Rio Grande between Zapata, Texas, and Ciudad Guerrero, Tamaulipas, and also approved and signed the respective maps at this meeting. The above documents are attached hereeto and form a part of this minute. The meeting adjourned to meet at the call of either Commissioner.

INTERNATIONAL BOUNDARY COMMISSION
UNITED STATES AND MEXICO

El Paso, Texas,
May 14, 1929.

The Honorable Commissioners,
International Boundary Commission,
United States and Mexico,
El Paso, Texas.

Sirs:

Complying with your instructions a monument marking the international boundary line has been erected on the new bridge across the Rio Grande between Zapata, Texas and Ciudad Guerrero, Tamaulipas; in accordance with the provisions of Article IV of the Treaty of 1834.

The monument was erected on the upstream side of the bridge under the main cable end in the center of the span and 82.5 meters from each support, and is exactly over the middle of the main channel of the river.

A map showing the location of the bridge and the monument, and a photograph of the bridge are attached to this report.

Respectfully submitted,

[Signature]
Consulting Engineer, United States Section

COMISIÓN INTERNACIONAL DE LÍMITES
ENTRE MÉXICO Y LOS ESTADOS UNIDOS

El Paso, Texas,
14 de mayo de 1929.

A los Honorables Comisionados de la Comisión Internacional de Límites entre México y los Estados Unidos,
PRESENTES.

Senores:

Cumpliendo con las instrucciones de ustedes, se ha erigido un monumento para demarcar la línea divisoria internacional en el nuevo puente sobre el río Bravo entre Ciudad Guerrero, Tamaulipas y Zapata, Texas, de conformidad con las disposiciones del Artículo IV del Tratado de 1834.

El monumento se erigió del lado de aguas arriba del puente, debajo del cable principal y en el centro del claro, dista 82.5 metros de cada apoyo y queda exactamente en la mitad del cauce principal del río.

Se agregan a este informe un plano que muestra la localización del puente y del monumento, y una fotografía del puente.

Con todo respeto,
