INTERNATIONAL BOUNDARY COMMISSION
UNITED STATES AND MEXICO

MINUTE NO. 158

El Paso, Texas,
June 14, 1937.

PLAN OF LOCATION OF THE RECTIFIED CHANNEL
OF THE RIO GRANDE IN THE EL PASO-JUAREZ
VALLEY.

The Commission met at the office of the
United States Section at El Paso, Texas,
at 11 o'clock A.M., June 14, 1937, to con-
sider the location of the rectified chan-
nel of the Rio Grande.

Minute No. 144 of this Commission,
which established the location of the rec-
tified channel of the Rio Grande provided
for by the Convention of February 1, 1933,
for the Rectification of the Rio Grande
in the El Paso-Juarez Valley from the
point of beginning to the upper end of the
San Elizario Island and from the lower end
of the San Elizario Island to the end of
the project, having left for further study
and later determination the location of
the rectified channel along the San Eliz-
ario Island and the entire matter now
having been the subject of extensive in-
vestigation and study by the Commission
and it being considered by the Commis-
ioners to be necessary promptly to complete
the location of the rectified channel
throughout its entire course in order to
comply with the provisions of the Conven-
tion of 1933, the Commissioners have de-
termined that, subject to the presentation
and approval by the joint Commission of
the joint report of the Consulting Engi-
neers in conformity to instructions herein
contained, the rectified channel of the
Rio Grande between the upper end of the
San Elizario Island and the lower end of
the San Elizario Island shall generally
follow and straighten the existing bound-
ary line between the United States and
Mexico.

The Consulting Engineers are accord-
(Continued on Sheet No. 2)
(Continued from Sheet No. 1)

...ly instructed to prepare and submit, without delay, a joint report upon the details of surveys and location, including the preparation of maps showing the precise location of the rectified channel and the equalization of the areas to be segregated in accordance with the provisions of the Convention.

The meeting then adjourned.

---

P.M. Pearsall  
Commissioner of the United States.

---

Richard Cardeux  
Commissioner of Mexico.

---

M. C. Moore  
Acting Secretary of the United States Section.

---

Secretary of the Mexican Section.

---

(De la Hoja No. 1)

...trucciones a los Ingenieros Consultores para que sin dilación preparen y presenten un informe común sobre los detalles de los levantamientos topográficos y la localización, incluyendo la preparación de planos que muestran la localización precisa del cauce rectificado y la compensación de las áreas que se segregarán de acuerdo con las disposiciones de la Convención.

Se levantó la sesión.
