On the seventeenth day of October, one thousand nine hundred and twenty-five, at ten A.M., the Joint Commission met in the offices of the American Section, in the City of El Paso, Texas, at the call of the Mexican Commissioner. The object of the meeting was to give instructions to the Consulting Engineers in regard to the survey of the Presidio and adjacent valleys. After a careful consideration of this matter by the Commissioners the following resolution was adopted: The Consulting Engineers are requested to make a thorough investigation of the files and field notes of surveys made in the Presidio and adjacent valleys for the elimination of bances and settlement of boundary questions, and prepare a joint report with recommendations for field work in the Presidio and adjacent valleys. The Secretaries will give a copy of this minute to the Consulting Engineers. Meeting adjourned subject to the call of either Commissioner.
