For immediate release
April 6, 2018

AMISTAD DAM ROAD TO CLOSE APRIL 11, 12, and 19 FOR DAM MAINTENANCE

The Amistad Dam Road at the United States Port of Entry near Del Rio, Texas, will be closed all day April 11, 12, and 19 due to heavy duty equipment on the dam for maintenance work. The closure does not affect access to the Air Force Marina. However, motorists interested in traveling to or from Mexico are not able to cross at Amistad Dam and instead are advised to cross at the Del Rio-Acuña International Bridge.

The United States Section of the International Boundary and Water Commission (USIBWC) has arranged for the closure so that heavy equipment can perform work on the bulk gates. The bulk gates require a crane to pull the bulk gate out of the water to be inspected for annual maintenance.

Amistad Dam Road is scheduled to reopen on Friday, April 13, at 10:00 a.m. After the closure on the 19th, Amistad Dam Road will reopen on Friday, April 20 at 10:00 a.m. The Commission is committed to reopening the Amistad Dam Road as soon as it is safe to do so.

The International Boundary and Water Commission, United States and Mexico, is responsible for applying the boundary and water treaties between the two countries. In accordance with the treaties and other international agreements, the Commission operates and maintains Amistad Dam.
