### **USIBWC ANNOUNCES FOUR DAY CLOSURE OF AMISTAD DAM ROAD OCTOBER 16-19 FOR DAM MAINTENANCE**

The Amistad Dam Road at the United States Port of Entry near Del Rio, Texas will be closed all day October 16-19, 2018 due to heavy duty equipment on the dam for maintenance work. The closure does not affect access to the Air Force Marina. However, motorists interested in traveling to or from Mexico are not able to cross at Amistad Dam and instead are advised to cross at the Del Rio-Acuña International Bridge.

The United States Section of the International Boundary and Water Commission (USIBWC) has arranged for the closure so that heavy equipment can perform work on the dam.

Amistad Dam Road is scheduled to reopen on Saturday, October 20, at 10:00 a.m. The Commission is committed to reopening the Amistad Dam Road as soon as it is safe to do so.

The International Boundary and Water Commission, United States and Mexico, is responsible for applying the boundary and water treaties between the two countries. In accordance with the treaties and other international agreements, the Commission operates and maintains Amistad Dam.
