

COLORADO RIVER CITIZENS FORUM

BACKGROUND

The United States Section of the International Boundary and Water Commission (USIBWC) is seeking applications from individuals interested in serving on the Board for the Colorado River Citizens Forum (CRCF), a group established to promote the exchange of information regarding USIBWC activities in Yuma County, Arizona and Imperial County, California. All CRCF meetings are open to the public and act as a focal point for the exchange of information between the USIBWC and the local community regarding ongoing and future USIBWC projects in the area. The CRCF is intended to bring together community members, enabling the early and continued two-way flow of information, concerns, values, and needs between the USIBWC and the general public, environmentalists, irrigators, government agencies, municipalities, etc. It is expected that the CRCF Board will consist of about ten volunteer members representing diverse interests. The Board will meet regularly, approximately three times per year, to discuss plans and issues related to ongoing and future USIBWC projects. Meetings will be held at sites alternating between Yuma and Imperial Counties.
